AUTHORITY MEETING MINUTES November 18, 2024

<u>Board Members Present</u>: Chairman Kenneth Long, Vice Chairman Vincent Bono, Steven Boucher, Robert Comis, James D'Onofrio, Barbara Freeman, James Franco, Nancy Novak (via Zoom), Treasurer Richard Redmond (via Zoom) and James Williams

<u>Authority Staff Present</u>: Joshua Olbrys, Jodi Tuttle, Joseph Artessa, Eileen Brinck, Justin Fitch, Hailey Hutchinson, Pat Lisandrelli and Andrew Opperman

Others Present: Authority Counsel Kevin Martin

Chairman Long called the November 18, 2024, Authority Board meeting to order at 4:30 PM and opened with the Pledge of Allegiance.

A motion was made by Mr. Bono, seconded by Ms. Freeman, and passed to approve the September 16, 2024, Authority Minutes.

At 4:32 PM a motion was made by Mr. D'Onofrio, seconded by Mr. Franco, and passed to open the Public Hearing on the Authority's Proposed 2025 Budget.

Executive Director Joshua Olbrys and Comptroller Joe Artessa presented an overview of the proposed 2025 budget through a PowerPoint presentation. Mr. Olbrys was pleased to announce that the Authority will maintain tipping fees for municipal solid waste, sludge, local solid waste and source separated organics/food waste for 2025. The Authority will continue to offer two reduced tip fee programs to assist Oneida-Herkimer Counties and its municipalities for disposal of debris following a disaster, such as a flood, and will assist Industrial Development Agencies related to Brownfield clean-up and IDA projects. Mr. Olbrys attributed the ability to keep tipping fees low to the Authority having such an integrated and expansive system. Mr. Olbrys announced that there will be no fee for recycling for the 34th consecutive year. Mr. Olbrys reviewed waste volumes for 2025. He explained that these projections are based on conservatively tracking six months of waste volume totals in 2024. He pointed out increases in construction and demolition material are related to the 2024 tornado in the City of Rome, as well as the Authority's regional demolition program. Mr. Olbrys reviewed recycling revenue by commodity. While tipping fees continue to be the main driver of Authority revenue, the Authority has started to see a steady increase in revenue from the sale of recyclable materials. Mr. Olbrys stated that the out-of-county recyclables processing revenue has slightly increased with the projected annual tonnage from Oswego, Lewis and Fulton Counties.

Mr. Olbrys noted that the Authority will continue to operate two engines at its power facility, as per its agreement with WM Renewable Energy through June 2025.

The Authority projected six months of landfill gas revenue in anticipation of construction of the renewable nature gas operation coming online in 2026. Carbon credit revenue is budgeted through September 2025 with projected revenue of \$600,000.

Authority Comptroller Joseph Artessa presented the Authority's proposed 2025 budget system expenditures. Mr. Artessa noted an increase to the allocation of funds for the Recycling Center due to the need for facility updates and repairs. The allocation of funds for the Authority's Administrative Office will decrease in 2025 due to an eliminated job position, while the Authority's Landfill will see an increase due to planned facility projects. The Authority's Eastern Transfer Station in Utica will remain steady in budget between 2024 and 2025, while the Western Transfer Station in Rome will increase. Mr. Artessa stated that overall, the Authority is requesting \$1,000,000 more in system expenditures for 2025. The Authority's 2025 proposed capital plan equals \$8,325,000, with a total proposed budget of approximately \$30,000,000.

Mr. Olbrys reported that the 2025 proposed landfill reserves total \$2,400,000 [\$800,000 landfill equipment replacement and \$1,600,000 landfill liner extension]. The 2025 proposed capital plan totals \$8,325,000 with projections through 2029 and includes system-wide heavy equipment and vehicles, and landfill cell closures and expenditures for landfill gas system expansion that will be funded through an established reserve.

Comptroller Joseph Artessa reviewed 2025 proposed revenues by category, 2025 expenses by departments, and 2025 expenses minus capital by category. Mr. Artessa announced that the Authority is reaching the end of its debt service on the 2006 bonds and that the Authority will have no debt after 2026.

Mr. Olbrys said that the proposed budget totals \$30,300,000 in system revenues/expenses including \$6,600,000 in municipal revenues/expenses. He then reviewed the proposed 2025 budget for the six municipalities in which the Authority administers the respective municipal programs. He noted that City of Utica Solid Waste Service Charge fees will not increase in 2025, and the cost of City blue bags will also remain unchanged.

Authority Board Secretary Jodi Tuttle confirmed that there were no public comments received on the proposed 2025 budget. However, a local hauler that was present at this public hearing raised concerns over lack of verification and the fairness of fees being charged to non-contract vs. contracted haulers disposing of construction and demolition debris (C&D) with dump trailers at Authority facilities. Following a brief discussion, Mr. Olbrys offered to contact the hauler to further discuss the concerns raised.

At 5:32 PM, a motion was made by Ms. Freeman, seconded by Mr. Comis, and passed to close the Public Hearing.

Chairman Long re-opened the regular meeting of the Authority.

There were no public comments received for the regular public comment period.

Mr. Olbrys said that Resolution No. 17 before the Board would approve a reduced tip fee for the City of Rome clean-up from the July 16, 2024 tornado.

Page 3

Mr. Olbrys stated that the City of Rome suffered property damage to the former St. Mary of the Assumption Church, located on 208 West Liberty Street, resulting in an estimated 6,000 tons of disaster debris.

Resolution No. 17 was introduced by Mr. Boucher, seconded by Mr. Bono, and passed approving a reduced tip fee for the City of Rome clean-up from the July 16, 2024, tornado.

Recycling Coordinator Eileen Brinck announced the winners of the Authority's recent Plastic Film Challenge. The winners, Sauquoit Elementary and Camden High School, will have the opportunity to be featured in a video with "Binny" on the Authority's website. There were 12 participants in total. All participants will be receiving participation awards.

Ms. Brinck also announced the winners of the Authority's annual Green Halloween Costume Contest. First and second place winners received Amazon gift cards, and the third-place winner an Authority swag bag.

Board Member Barbara Freeman spoke about a course she recently taught at MVCC titled, "Your Innovative Solid Waste System." Ms. Freeman stated that her goal in teaching this course was to make people realize the scope of our solid waste system, that it's an evolving system, when better technologies come along that the Authority investigates and often implements them, the Authority is nationally recognized, and that this is a self-funded system with no tax money used. Ms. Freeman taught a variety of topics, including a segment on the Regional Landfill. Ms. Freeman thanked Executive Director Joshua Olbrys, former Executive Directors Hans Arnold and William Rabbia, Recycling Coordinator Eileen Brinck, Director of Recycling Emily Albright, and Authority Comptroller Joseph Artessa for their knowledge and assistance in preparing course material. She also encouraged utilizing the Authority's website [www.ohswa.org] as it contains valuable information.

At 5:48 PM, a motion made by Mr. Comis, seconded by Mr. D'Onofrio, and passed to go into executive session to discuss proposed litigation. Chairman Long noted that there would be no public business conducted, following the executive session.

At 6:16 PM, a motion was made by Mr. Bono, seconded by Ms. Freeman and passed to come out of executive session and to adjourn the regular meeting of the Authority.

Respectfully submitted,

Preserving the environment through integrated recovery and disposal.

SOLID WASTE COLLECTION AND DISPOSAL PERMIT RULES AND REGULATIONS

1600 Genesee Street Phone: (315) 733-1224 Utica, NY 13502 Fax: (315) 733-2305

Web Site: www.ohswa.org

Email Contact: Emily Albright, Director of Recycling <u>emilya@ohswa.org</u> These rules and regulations apply to the collection and disposal of all solid waste and recyclables generated in Oneida County and/or Herkimer County. In addition, the provisions of Local Law #1 of 1990 for Oneida County and Local Law #1 of 1990 for Herkimer County (the "Local Laws") shall be applicable to all permits issued hereunder and must be fully complied with by the permit holder.

I. Solid Waste Collection and Disposal Permit

All persons, companies, partnerships, municipalities or other entities engaged in the commercial collection, pick-up, transfer, removal, and/or disposal of solid waste and/or recyclables in Oneida County and/or Herkimer County shall obtain a permit issued by the Oneida-Herkimer Solid Waste Management Authority ("Authority") ("Permit") authorizing the Permit holder to engage in the commercial collection, pick-up, transfer, removal, and/or disposal of solid waste and/or recyclables in Oneida County and/or Herkimer County.

- A. Any Permit issued by the Authority shall be in the nature of a privilege and shall not be deemed to create a property interest with respect to said Permit by the Permit holder.
 Any Permit issued by the Authority shall be subject to the terms, conditions, rules and regulations set forth hereunder, in the Authority Facility Rules and Regulations, the Local Laws, as well as any other applicable laws, statutes, ordinances, rules, regulations and procedures.
- B. Failure to obtain a Permit shall prohibit any person, company, partnership, municipality, or other entity from engaging in the commercial collection, pick-up, transfer, removal and/or disposal of solid waste and/or recyclables within Oneida County and/or Herkimer County.
- C. The Authority reserves the right to deny a Permit to any person, company, partnership, municipality or other entity that it deems unfit to engage in the commercial collection, pick-up, transfer, removal and/or disposal of solid waste and/or recyclables in Oneida County and/or Herkimer County based upon prior activities, information submitted in the Permit application or obtained from other reliable sources.

1

- D. The Authority reserves the right to revoke any Permit for failure to comply with the terms, conditions, rules and regulations set forth hereunder, and/or set forth in the Authority Facility Rules and Regulations, the Local Laws, as well as any other applicable laws, statutes, ordinances, rules, regulations and procedures.
- E. The Authority reserves the right to refuse to renew a Permit in the event the Permit holder has failed or is failing to comply with terms, conditions, rules and regulations set forth hereunder, and/or set forth in the Authority Facility Rules and Regulations, the Local Laws, as well as any other applicable laws, statutes, ordinances, rules, regulations and procedures or, if such renewal conflicts with any other applicable provision of law regulating the commercial collection, pick-up, transfer, removal and/or disposal of solid waste and/or recyclables within Oneida County and/or Herkimer County.

II. Terms and Conditions of Permit

- A. This Permit shall be renewed in accordance with the provisions set forth in these procedures.
- B. The Permit holder shall comply with all Federal, State, County, municipal and Authority requirements, statutes, laws, ordinances, rules and regulations.
- C. The Permit holder shall respond to any notice it receives from the Authority which requests a response in the fashion and within the time set forth in any such notice.
- D. The Permit holder agrees that the Authority shall have the right, but shall in no way be obligated to inspect all collection vehicles and equipment as well as solid waste facilities owned or operated by Permit holder and used for the processing of solid waste and/or recyclables collected in Oneida County and/or Herkimer County at any time without prior notice to determine whether the Permit holder is in compliance with all solid waste and/or recyclable transfer and disposal rules and regulations and Permit conditions.
- E. All loads of solid waste, green waste, organics/food waste and recyclables shall be covered and/or tarped at the time of delivery to Authority facilities. Failure to tarp or cover loads arriving at Authority facilities will result in additional fees charged.

- F. Solid waste and recyclables shall not be commingled at any time.
- G. All waste collected in Oneida County and/or Herkimer County shall be delivered to a facility designated by the Authority. All recyclables collected in Oneida County and/or Herkimer County at the curbside or delivered to a transfer station for recycling shall be delivered to a facility designated by the Authority. The facilities currently designated by the Authority include the following:

For Recyclables:	Authority Recycling Center
	824 Sewage Plant Road
	Utica, NY 13502
For Organics/Food Waste:	Food2Energy
	824 Sewage Plant Road
	Utica, NY 13502
For Solid Waste:	Authority's Western Transfer Station
	575 Perimeter Road
	Rome, NY 13440; and/or
	Authority's Eastern Transfer Station
	824 Sewage Plant Road
	Utica, NY 13502; and/or
	Authority's Regional Landfill [With Special Approval]
	7044 State Route 294
	Boonville, NY 13309
For Green/Yard Waste:	Oneida-Herkimer Green Waste Compost Facility
	824 Sewage Plant Road
	Utica, NY 13502

Each instance in which solid waste and/or recyclables are delivered to a non-designated facility shall constitute a violation of Local Law #1 of 1990 for Oneida County and/or Local Law #1 of 1990 for Herkimer County.

H. The Permit holder shall procure and maintain vehicle liability insurance throughout the term of the Permit.

III. Procedure

- A. Any person seeking a Permit for the business of commercial collection, pick-up, transfer, removal and/or disposal of solid waste and/or recyclables shall file an application for a Permit on a form provided by the Authority. The form shall be filled out completely and submitted along with the required documentation, or it will be returned or denied, at the Authority's discretion. Applicants shall supply a Certificate of Insurance to the Authority documenting the insurance required in paragraph II. H. above at the time the Permit application is submitted.
- B. Upon receipt of the Permit application, Authority staff shall review the application for completeness and accuracy. If information presented by the applicant is accurate and complete, and applicant is deemed fit to be issued a Permit, the Permit will be granted.
- C. If a Permit is denied based upon applicant's unfitness, the applicant may be provided an opportunity to be heard as determined by the Authority Board.

IV. Enforcement

Failure to comply with any provision of relevant Federal, State, or Local Law, the terms, conditions, rules and regulations, and requirements of a Permit issued hereunder, the Authority Facility Rules and Regulations, may subject the Permit holder to Permit revocation as well as any penalties applicable, including, but not limited to the penalties set forth in Section 12 of Local Law #1 of 1990 for Oneida County and Section 13 of Local Law #1 of 1990 for Herkimer County.

V. Severability

If any section or part of a section, paragraph, sentence, clause, phrase or work of these rules and regulations is, for any reason, held or declared to be unconstitutional, inoperative or void, such holding shall not affect the remaining portions of these Rules and Regulations.

RE: CONTRACT FOR TRANSPORTATION OF WASTEWATER TREATMENT BY-PRODUCTS FROM THE ROME WATER POLLUTION CONTROL FACILITY AND THE ONEIDA COUNTY WATER QUALITY AND WATER POLLUTION CONTROL FACILITY

- WHEREAS, the Oneida-Herkimer Solid Waste Management Authority has had a long-term, mutually beneficial relationship with the Rome Water Pollution Control Facility (RWPCF) and the Oneida County Water Quality and Water Pollution Control Facility (OCWQWPCF); and
- WHEREAS, these facilities have utilized the Oneida-Herkimer Regional Landfill (RLF) since 2006 and the RLF provides for environmentally sound disposal of all wastewater treatment by-products generated at the facilities; and
- WHEREAS, the Authority, pursuant to Section 103 of the New York General Municipal Law, by a Request for Proposals (RFP) dated November 7, 2024 invited interested respondents to submit proposals for the transportation of wastewater treatment by-products from RWPCF and OCWQWPCF for a term commencing on January 1, 2025 and terminating December 31, 2027, with two additional one-year extensions, not to exceed five total years; and
- WHEREAS, the Authority received proposals from three respondents, current contractor Rauscher Bros., Inc. of West Leyden, Southwick Trucking, LLC of Boonville, and Daniel Lee Trucking, LLC of Boonville; and
- WHEREAS, Authority staff have reviewed and evaluated credentials, experience, equipment, content and proposed fees for each proposal; and
- WHEREAS, Section 103 of the New York General Municipal Law requires that public contracts be awarded to the lowest responsible bidder; and
- WHEREAS, Southwick Trucking, LLC was determined by Authority staff to be the lowest responsible bidder, therefore, Authority staff recommends that the Authority enter into a service agreement with Southwick Trucking, LLC for transportation of wastewater by-products from RWPCF and OCWQWPCF to the RLF, for the fees per ton listed in their proposal commencing on January 1, 2025 and hauled to the RLF; now, therefore, be it
- **RESOLVED,** that the Board directs the Executive Director to prepare and to take all action necessary to enter into a contract with Southwick Trucking, LLC, for the wastewater treatment by-products transportation service.
